Dear Cécile Cardenal ,

I am writing to express my strong interest in the position within the IS&T team, supporting Sodexo's Global Sales and Marketing department, as advertised. Sodexo's commitment to sustainability and its global reach align perfectly with my career aspirations, and I am excited about the opportunity to contribute to your organization's continued success.

In my current role and previous experiences, I have honed my skills in maintaining IS&T interfaces and solutions, particularly with SQL Databases, ETL Talend-based Jobs, Salesforce integrations, and the Microsoft Power Platform. I am dedicated to ensuring the efficient operation of SAAS and on-premises platforms, and I thrive on the challenges that come with optimizing data management, security, and performance aspects.

What particularly excites me about this opportunity is the chance to work with a dynamic team and be part of a company that values innovation and encourages employees to propose creative solutions. I am eager to further develop my SQL and Java skills while leveraging my existing knowledge to support Sodexo's IS&T initiatives effectively.

My fluency in both French and English, combined with my willingness to learn and adapt, make me an ideal candidate for this role. Additionally, my familiarity with Talend, Salesforce, and the Power Platform, coupled with a basic understanding of APIs, positions me to make an immediate and positive impact.

I am drawn to Sodexo not only for its global leadership but also for its unwavering commitment to ethical principles and sustainable practices. I am confident that my skills and passion align seamlessly with the values of your organization, and I am eager to contribute to Sodexo's ongoing success.

Thank you for considering my application. I look forward to the opportunity to discuss how my qualifications and enthusiasm align with Sodexo's mission and vision during an interview. Please find my resume attached for your reference.
